MEMORANDUM FOR: Director, Office of Security

FROM

Intelligence Activities

SUBJECT : DoD Intelligence User's Guide

25X1

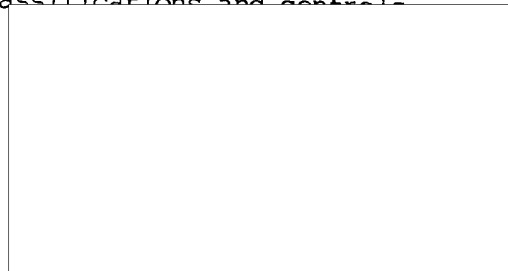

1. The attached compilation of CIA and DIA telephone numbers and functional descriptions of organizations was prepared by the Office of the Under Secretary of Defense for Research and Engineering. It is unclassified and has no controls on it. There is a high probability that many other DoD officers in DoD have prepared similar guides.

2. I recommend that the CIA Office of Security take this issue up formally with the appropriate DoD security officials and get such compilations under appropriate classifications and controls.
